# SAADIYAT ISLAND ABU DHABI

## THE PINNACLE OF LUXURY AND COASTAL SERENITY

Saadiyat Island Abu Dhabi, which is tucked away in the centre of Abu Dhabi and along the glittering Arabian Gulf, was named the Middle East's Leading Beach Destination by the World Travel Awards for 13 years in a row. It offers an unparalleled fusion of luxury and peace, making it a melting pot of unique experiences.

**M**oreover, Saadiyat Island is the ideal destination for anyone looking for a luxurious beach getaway because of its nine kilometres of immaculate white sand beach, glistening blue waters, top-notch resorts, and a thriving entertainment and cultural scene. With 1,755 hotel rooms dispersed across 5 upscale

hotels and resorts, Saadiyat Island, home to some of the most renowned resorts in the world, provides an unmatched hospitality experience. There is a resort to suit all tastes and inclinations, whether visitors want modern sophistication, luxury with an Arabian flair, or tranquil beachside feelings

### THE ST. REGIS SAADIYAT ISLAND RESORT

It blends timeless elegance with modern comfort, while Rixos Premium Saadiyat Island redefines indulgence with its all-inclusive luxury concept. Saadiyat Rotana Resort & Villas embodies true Arabian hospitality, resulting in a warm and welcoming environment. Jumeirah at Saadiyat Island Resort offers exclusive wellness treatments for people looking for the ultimate in relaxation. Park Hyatt Abu Dhabi Hotel and Villas delivers the ideal combination of refinement and entertainment, making it an excellent choice for families.

The Saadiyat Beach Golf Club offers a unique Par 72 beachfront golfing experience amidst lush greenery and stunning views. Guests can enjoy luxury amenities, fine dining restaurants, and exclusive wellness experiences. Additionally, the Saadiyat Beach Club features pristine white sands, crystal-clear waters, and top-notch facilities.

Besides, Saadiyat Island is not just a relaxation destination but also a cultural hub, home to the Louvre Abu Dhabi, a renowned museum that celebrates arts connection between civilizations. The Abrahamic Family House stands as a beacon of unity and cultural harmony. In the coming years, the island will also welcome Guggenheim Abu Dhabi, Zayed National Museum, Natural History Museum Abu Dhabi, and teamLab Phenomena Abu Dhabi, further cementing its position as a world-class cultural destination.

### SAADIYAT ISLAND, CULTURAL DISTRICT

The world-renowned museums, educational institutions, and cultural activities of Saadiyat Cultural District make it a top international destination that unites many cultures and promotes knowledge and understanding.

Likewise, anchored by museums that delve into natural history, cultural heritage, and modern creative expression, the district is a vibrant centre where the world, the United Arab Emirates, and the interrelated forces that have influenced innovation and creativity for millennia come to life.

## AN UNFORGETTABLE EXPERIENCE IN ART

### AN UNFORGETTABLE EXPERIENCE IN ART

Explore a world where creativity, technology, and art coexist at teamLab Phenomena, Abu Dhabi. When the multisensory art experience opens on April 2025, 18, it will feature enormous, transforming artworks that will transport visitors on an extraordinary, sensory-rich voyage. The artworks are designed to encourage visitors to broaden their senses of touch, sound, and sight and participate in their surroundings.

### WHAT TO AIM FOR

Discover what to expect at teamLab Phenomena and take in the artworks that depict phenomena that are influenced by their distinct settings. As we unveil further artwork in the upcoming weeks, stay tuned.

### LOUVRE ABU DHABI

From the dawn of recorded history, the museum presents tales of human ingenuity. Collections include artwork and artefacts from the Silk Road era, the early stages of globalisation, Eastern empires, and more. Additionally, art enthusiasts will enjoy temporary exhibitions, paintings on loan from French museums, the Great Masters on show, and much more. It takes at least one to two hours to view the museum's main attractions.

Meanwhile, -45minute Express Tours that highlight the key artefacts and must-sees are available at the Louvre Abu Dhabi. To truly concentrate on the various collections, you should allow yourself four hours or more. On Saadiyat Island, the Louvre Abu Dhabi opened its doors on November 2017, 8.

Tickets for general admission cost AED 65, but entry is free for locals, minors under 18, and UAE nationals over 60. For the most recent information on ticket rates, visit the museum's website.

The Middle East's architectural legacy served as inspiration for the award-winning French architect Jean Nouvel's design of the Louvre Abu Dhabi. Also, the design, which spans land and sea, takes advantage of reflections to provide a stunning light show.

On the island of Saadiyat stands the Louvre Abu Dhabi. See more about how to travel by private vehicle or public transit from Abu Dhabi and Dubai to Saadiyat Island. Our free Cultural Express Shuttle Service departs from the Sheraton, Mall of the Emirates, at 9 a.m. every day and departs for Dubai at 6 a.m. if you're coming from Dubai.

### THE ABRAHAMIC FAMILY HOUSE

It serves as a hub for discussion and information sharing. The Abrahamic Family House, which is home to thriving multicultural communities of many religions, reflects the diversity of Abu Dhabi and the larger United Arab Emirates, which is rooted in the country's principles of bringing people and cultures together.

Furthermore, the Abrahamic Family House is available to the public. It has three distinct places of worship: the Moses Ben Maimon Synagogue, the Eminence Ahmed El Tayeb Mosque, and St. Francis Church Abu Dhabi. It also includes a forum for discussion and meetings. From quick tours to immersive understanding journeys, programming, and community events, the Abrahamic Family House welcomes guests and provides a variety of captivating experiences.

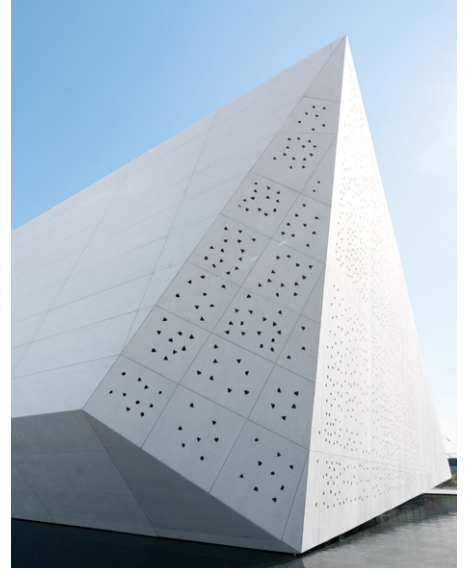

### MANARAT AL SAADIYAT

Manarat Al Saadiyat (MAS), is a modern venue that fosters innovation and pop culture, curates cultural activities and unites communities.

Located on Saadiyat Island, Abu Dhabi's cultural centre, Manarat Al Saadiyat welcomes guests to discover and be inspired by a wide variety of artistic expressions.

You will explore exhibits, participate in art workshops, attend seminars, and share ideas. MAS promotes grassroots projects created by our communities, stimulates entrepreneurship, and honours Abu Dhabi's cultural variety.

### BASSAM FREIHA ART FOUNDATION

The philanthropist and art collector HE Bassam Said Freiha founded the non-profit Bassam Freiha Art Foundation (BFAF). For more than 50 years, he has gathered pieces from the Orientalist art movement. Likewise, exhibitions held by the foundation showcase the collections of local and foreign patrons in addition to pieces from his collection.

Global, regional, and local art collections are the main emphasis of BFAF, the only private art foundation in Abu Dhabi's Saadiyat Island Cultural District that is free and accessible to everybody. Through inclusive and varied programming all year long, it seeks to encourage conversation, foster and support up-and-coming artists, and advance art education and public involvement with the arts.

### MAMSHA AL SAADIYAT

Mamsha Al Saadiyat is a premium neighbourhood with town homes, penthouses, and flats right on the beach. Also, it has stores, eateries, and entertainment venues.

Moreover, the promenade, which overlooks the Arabian Sea's shimmering waters, is a wonderful spot to eat delicious food, take in the ambience, and experience the sense of community

that this development provides. Visit Abu Dhabi's sandy Soul Beach or Mamsha Beach to make use of a variety of amenities, including stores, entertainment venues, and food options.

Additionally, with its dazzling white sands and legendary turquoise waters, Mamsha al Saadiyat Beach, which stretches more than 1.5 km, is among the most immaculate beaches in the area.
